3. Achievements

Different agreements concerning protection

f.i. bpfBOUW: Dutch industry wide pension fund for construction industry (2 pillar pension scheme, DB, capially funded)

based on principles of collectivity and solidarity

In bpfBOUW about 827.000 individuals are concerned of whom 24% are active member, 3% disabled, 47% former member and 26% recipient of pension benefits

4. Challenges

Volatile investment returns for pension funds
Low discount rate for calculating pensions reserves
Aging population

-> changes to 1rst + 2nd pillar pension schemes are necessary
